

JESUS HAS A PLAN  
TO CHANGE THE WORLD  
AND IT'S CALLED HIS CHURCH

HEART FOR THE HARVEST  
SPECIAL OFFERING

# BECAUSE MANY HAVE GIVEN SACRIFICIALLY TOWARDS OUR YEARLY SPECIAL OFFERING...

## Hundreds have followed Jesus in baptism.

Each additional campus has allowed us to reach more people. Over the last two years, we've added three locations: Blount, UT, and North Knox. As a result, 975 people have been baptized at a Faith Promise campus in the last two years, and East Tennessee will never be the same.

## Orphaned children in India & Haiti have a home.

Following Jesus' command, we are ministering to needy children worldwide through funding two Haitian orphanages and a child-survival program in India. In Haiti alone, 80 children are fed and housed through our support.

## We're maximizing our campus potential.

Over the past two years, our potential for reaching people has grown from 1,050 seats at a single campus to 3,125 seats available across four campuses.

Through additions and improvements to our Pellissippi Campus, we're maximizing our facility for outreach during peak times, adding a new children's building and 725 additional seats to the Worship Center. And with improvements to our Blount, UT, and North Knox campuses slated for 2013, we're creating environments where adults and children will encounter God.

## Future campuses are on the horizon.

Today, we stand more committed than ever to a multisite approach to ministry. We will continue to strategically evaluate timing and begin new campuses in our effort to see people grow in Christ and make it hard to go to hell from East Tennessee.

THERE HAS NEVER BEEN A MORE PIVOTAL MOMENT  
THAN NOW IN THE LIFE OF FAITH PROMISE CHURCH
