

FPC2011 ANNUAL REPORT

A NOTE FROM PASTOR CHRIS

2011 was the greatest year we have ever experienced! Because of your prayers, dedication and sacrifice, God moved in miraculous ways in all of our ministries. Because of your commitment to furthering the vision God has given our church, thousands came, and only Heaven can record those who were saved and whose lives were transformed forever. Below you will see just some of the results of your efforts and your gifts to our Lord through Faith Promise. Thank you!

Love,
